MKTX PROMOTES JENNY DAVIS TO ACCOUNT MANAGER

Beaverton, Ore., June 22, 2006—MKTX, Inc., a business-to-business marketing communications agency, announced that it has promoted Jenny Davis to account manager. In this role, Jenny will manage client public relations projects, interface with members of the press, and manage other client programs.

MKTX hired Jenny as an account coordinator in November 2004. Since joining the firm, she has successfully launched the MKTX Professional Resource Series e-Newsletter, placed client articles in trade journals, and set up press meetings and schedules for client trade shows. Clients for which Jenny has managed marketing projects include IP Fabrics, Northwest Pipe Company, Phoseon Technology, Serveron, TOC Management Services, and TenAsys Corporation. For several of these clients, she has also developed copy for data sheets, technical articles, and direct mail pieces.

Since its formation in 1998, MKTX has served business-to-business clients, raising visibility and supporting sales growth for a variety of technology, business services, and industrial companies including software and information systems, embedded computing, healthcare, and manufacturing.
